TONY SOPER, DAFILA SCOTT (ILLUSTRATOR)

Antarctica, A Guide to the Wildlife

2005, PAPER, 144 PAGES, \$21.95

Designed for the field, this compact handbook features all the species of birds, seals and whales the traveler is likely to encounter on a voyage to the Antarctic. Each species gets a double-page spread, with concise essays on each species, range maps and color drawings. (Item no. ANT30)

CHARLES NEIDER

Edge of the World: Ross Island, Antarctica

2001, PAPER, 461 PAGES, \$19.95

A memorable account of adventures at Ross Island and the South Pole, including Neider's mishap with a helicopter on Mt. Erebus. With a nice selection of detailed maps and black-and-white photographs. (Item no. ANT157)

RON NAVEEN

The Oceanites Site Guide to the Antarctic Peninsula

2005, PAPER, 129 PAGES, \$29.95

With its descriptions, maps and wonderful aerial photographs of visitor sites in the Antarctic Peninsula, this is the one book to carry on your voyage south. The guide, which supports the Antarctic Site Inventory Project, covers 40 prime visitor sites in detail. (Item no. ANT37)

DAVID MCGONIGAL, LYNN WOODWORTH

Antarctica, The Blue Continent

2003, HARD COVER, 224 PAGES, \$29.95

A masterful, generously illustrated primer on everything Antarctic with hundreds of photo-graphs, an especially good regional overview, glorious full-color maps and a nice section on wildlife. (Item no. ANT193)

ALFRED LANSING

Endurance, Shackleton's Incredible Voyage

1998, PAPER, 280 PAGES, \$13.95

An extraordinary tale of survival that reads like a good novel. It's the gripping day-by-day story of Shackleton's legendary perseverance: losing his ship in the ice, drifting helplessly across the Weddell Sea, and finally reaching Elephant Island, from where he sailed 800 miles to get help for his stranded men. (Item no. ANT03)

Antarctica ITMB map

MAP, \$10.95

A fold-up map of the continent at a scale of 1:8,000,000. (Item no. ANT81)

Satellite Image Map of Antarctica

MAP, \$14.95

A beautiful, full-color photo poster of the Antarctic, created from composite satellite imagery. 40" X 56". (Item no. ANT82)

JEFF RUBIN

Lonely Planet Antarctica

2005, PAPER, 340 PAGES, \$24.99

In this compact overview of the Antarctic, its history, wildlife and attractions, Antarctic enthusiast Jeff Rubin helpfully includes sections on preparing for a voyage, conservation, visitor sites, expedition ships and Antarctic gateways. (Item no. ANT139)

We also carry **Lonely Planet Buenos Aires** for \$17.99. (Item no. ARG10)

DAVID BURKE

Voyage to the End of the World, Tales from the Great Ice Barrier

2005, PAPER, 200 PAGES, \$21.95

An illustrated account of a journey to the Ross Sea and Great Ice Barrier in seven chapters. Burke focuses particularly the history of Byrd, Ellsworth, Siple and other Antarctic explorers, including the Americans involved in Operation Deep Freeze. (Item no. ANT176)

KELLY TYLER-LEWIS

Lost Men, The Harrowing Saga of Shackleton's Ross Sea Expedition

2006, HARD COVER, 416 PAGES, \$25.95

The daring and terrifying tale of Ernest Shackleton's support team's mission to the Ross Sea, where their ship the Aurora was set adrift in a gale stranding ten men shore with little hope of escape. (Item no. ANT225)

TIM BAUGHMAN

Before the Heroes Came, Antarctica in the 1890s

1999, PAPER, 160 PAGES, \$12.00

This well written account of the pioneering Antarctic encounters stars Carsten Borchgrevink, who spent the first winter on the continent in 1898 at the hut still standing at Cape Adare, and other early explorers. (Item no. ANT105)

ROLAND HUNTFORD, PAUL THEROUX
(INTRODUCTION)

The Last Place on Earth, Scott and Amundsen's Race to the South Pole

1999, PAPER, 576 PAGES, \$15.95

Huntford's absorbing dual biography is a rousing tale. Clearly an admirer of Amundsen, Huntford interweaves the story of the two expeditions, contrasting Amundsen's well-planned campaign with Scott's many follies. (Item no. ANT100)

APSLEY CHERRY-GARRARD

The Worst Journey in the World

1997, PAPER, 704 PAGES, \$16.95

One of the great tales of exploration, originally published in 1922. Cherry-Garrard's epic midwinter journey to the emperor penguin rookery is just a warm-up for the main event: his vivid account of Scott's doomed last expedition. (Item no. ANT23)

PETER MATTHIESSEN

End of the Earth, Voyaging to Antarctica

2004, PAPER, 242 PAGES, \$15.00

In this fine book, the result of two voyages, Matthiessen captures the magic of polar landscapes and wildlife, along with the camaraderie of a ship-based polar expedition. (Item no. ANT190)
