

## 2018 TREKKING GEAR LIST

### ANTARCTICA ADVENTURE & SKI CRUISE

This list will allow for a participant to access trekking terrain. We do not provide gear rentals and suggest you contact your local gear shop should you need to rent any equipment. Should you choose not to bring the required equipment we cannot guarantee participation in trekking activities.

#### TREKKING GEAR

##### Snowshoes

- [Tubbs Wilderness Series Snowshoe](#)
- [MSR Lightning Explore](#)
- [Atlas 10 Series Snowshoe](#)

##### **Waterproof boots.** *Your boots will need to be waterproof and high enough to keep the snow out. You may consider a combination of snowboots with gaitors as an option as well. (The rubber boots provided on the boat are very flimsy and will not be great for snowshoeing).*

- [Baffin Evolution Boot – Men’s](#)
- [Salomon Tundra Mid WP Winter Boot – Women’s](#)
- [Sorel Cumberland Boot – Women’s](#)

##### Poles

- [Black Diamond Pure Distance Carbon FLZ Trekking Poles](#) (carbon version)
- [Black Diamond Distance FLZ Trekking Pole](#) (aluminum version)
- [Black Diamond Whippet Self Arrest Pole](#) (hybrid ski pole & ice axe)

##### **Ice Axe** – 50cm+, light alloy shaft and steel pick are recommended.

- [Black Diamond Raven Pro](#) (lightweight glacier & snow axe)
- [Petzl Glacier Ice Axe](#) (lightweight glacier & snow axe)
